F. Issue of Provisional Admission Letter

1. After verification of the uploaded documents of the candidate, payment of Seat Acceptance Fee by the candidate and reconciliation of the admission status of the candidate after completion of final reporting by the university, a Provisional Admission Letter will be issued to the admitted candidate through e-mail.
2. No correspondence from the candidates/guardians/parents will be entertained by the Council for seeking permission for late registration/admission in the universities or issuing any direction in this regard to the admitting university.

G. Upgradation

1. After the first round of allotment, some candidates may be allotted their 2nd/3rd/4th or even lower choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc.; provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. However, the candidate will be considered for sliding ONLY to one of the better/higher choices that were given by him/her at the time of online choice filling.
2. **The candidate has to exercise the choice of ‘Upgradation’ after deposition of Seat Acceptance Fee.**
3. The status of all the candidates who have opted for “Upgradation”, will be available through University Login with complete chain of developments (In/Out).
4. If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.
5. If the candidate gets a better choice, then his/her initially allotted seat will stand forfeited and the candidate will have to accept the “Upgraded” seat. In no case, such “Upgraded” candidate will be allowed to retain the

initially allotted seat. **THEREFORE, THE CANDIDATE MUST BE VERY CAREFUL IN EXERCISING THE REQUEST FOR “UPGRADATION”.**

6. In reporting module of the University login, all “Upgraded” candidates will be marked as “Admitted” by default by the system. The University will not be able to change their status as Not Reported/Not Eligible. However, if such “upgraded” candidates, do not report on the specified date of registration/attending classes in the upgraded university, then their admission will not be considered against ICAR quota seats and they will forfeit any claim for Fellowship/Scholarship (if any).
7. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional document requirements, if any, for the allotted course, well in advance, before physically reporting to the finally allotted university at the time of registration or attending classes or as per the “upgraded” university requirements. If the “Upgraded” University/ Course has some additional requirements of documents, then the onus shall lie on the candidate to fulfill all such requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates.
8. Since, there will be only four rounds of counseling (and mop-up round if needed), request for “Upgradation” will be permissible only during the first, second and third rounds. Subsequent round of allotments (2nd, 3rd and 4th) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.
9. Subsequent rounds of online counseling will be conducted immediately after online reporting by the university is complete at the end of a particular round of counseling.
10. If a candidate is “Upgraded” during the second/third allotment and he/she still has scope of getting a better choice, then he/she can again request for “Upgradation”. The Upgradation requests shall be tried first to give the candidates their better choice. Thereafter, the same process for subsequent rounds of counseling will be followed until completion of counseling.

H. Physical Reporting at the finally allotted university

1. The candidate at the time of registration/attending the classes in the finally allotted university or as per requirement of the admitting university shall produce all the original documents (as uploaded by him/her on the portal) for physical verification by the university.
2. After adjustment of the Seat Acceptance Fee of Rs.10,000/- (Rs. Ten Thousand Only) initially paid by him during the counselling, the candidate shall pay the balance amount of fee to the university for confirming admission.
3. If any candidate fails to deposit balance admission fee and original certificates and/or additional documents, if required by the university, the provisional admission of the candidate will be cancelled and his/her claim for admission will stand forfeited.

I. Other conditions related to admission process

1. Candidate, not fulfilling the eligibility condition(s) at the time of online document verification by the allotted university, will forfeit claim for admission and will not be considered for seat allotment. Candidature in such

cases shall be rejected summarily. No correspondence shall be entertained thereafter in this regard.

2. In case a **candidate has been admitted in a subject/programme at a university, any request for change/transfer of subject/university after the completion of counseling, will not be entertained by ICAR.** The candidate, once admitted in a degree programme as per his/her merit-rank and availability of seat at the time of counseling, will not stake claim for change of subject/college/University later on after his/her admission is over.
3. There is no provision of migration and ICAR will not entertain any request for the same.
4. All admitted candidates will be required to submit original certificates /documents and mark sheets to the Registrar of the allotted University, otherwise admission may not be granted. All original certificates/documents including reservation category certificates [SC, ST, OBC(NCL), EWS, PwBD] submitted by the candidates may be sent by the allotted University to their respective Boards/commission and Universities for verification.
5. In case, a candidate wishes to withdraw the original certificates after the admission, he/she shall directly request the allotted University for the same, if the university rules so permit. Any temporary or permanent withdrawal of original certificates will be governed as per the concerned University rules. ICAR has no objection if certificates are returned to the candidate after verification at the time of Physical reporting by the candidate to the university.

J. Refund Rules

In case of cancellation or withdrawal of a provisional allotment up to the end of the 4th round, as per the prescribed counseling schedule, the entire fee collected from the student shall be refunded after deduction of ₹1,000/- (Rupees One Thousand only) towards processing charges. Further, candidate who accepts/freezes his/her seat up to 4th round and fails to either withdraw/cancel the seat as per procedure or join the provisionally allotted program/university for any reason(s) will not be refunded the Seat Acceptance Fee under any circumstances by the ICAR/University. For any request for refund, thereafter, the refund policy of the admitting university shall be applicable and no correspondence will be entertained by the Council in this regard. The refund process by the Council shall commence after the completion of admission process at the universities and will be completed within 6 months after completion of admission /verification process.
